Start from Scratch or Stand to the Challenge

Kurrajong Lane Applethorpe a very private location just a few minutes' drive from Stanthorpe CBD.

Are you up to the challenge and have the skills to bring this property back to life. I have over the years seen properties in very similar condition and a lot worse renovated and restored back to as good as new if not better.

Our creepy little friends have found their way through out this home so come and inspect your EYES wide open. Imagine the rewards for restoration of a property such as this you could be very had pressed to find a property for the value.

Or if you are looking for a great building site this 12 - hectare property has approximately 4 hectares which has previously cleared the balance is naturally timbered with rocky out crops. Power is already connected there is a bore plus another bore site already identified.

Even a couple of farm sheds, Fordson farm tractor and slasher plus a host of extras.

This property is being sold as is where is walk in walk out. Asking a very reasonable \$275,000 for further details contact David Schnitzerling on 0418717979
